

CITY OF CHICAGO HEIGHTS

OFFICE OF THE MAYOR

DAVID A. GONZALEZ

May 2017

Dear Resident:

On April 17, 2017, the City of Chicago Heights City Council approved a fee for residential customers for weekly curbside garbage pickup provided by Republic Disposal Services. The fee will appear on your water billing statement as it was determined to be the best method to effectively bill customers for routine garbage pickup.

Residential customers can expect to see the charge on their bimonthly water bill beginning June 20, 2017, depending upon your current billing cycle.

Senior residents who qualify for the senior exemption on their water bill will qualify for a reduced garbage disposal fee.

The charges are as follows:

Residential Customers \$42.36 (every two months)

Senior Customers \$21.18 (every two months)

If you have any questions regarding the garbage fee, please contact the Mayor's Office at (708) 756-5315, Monday through Friday, 8:30 AM to 5:00 PM.

Sincerely,

Mayor David A. Gonzalez
